Fagron Advanced Derma

Occluvan™

Hydrophilic ointment base

VEHICLE BENEFITS

- Protective ointment base with easy spreadability
- Occlusive, emollient, protective and humectant effects
- Enhances permeation of incorporated ingredients into deeper skin layers
- Skin-friendly formulation without preservatives
- Unique water-absorbing property for flexible compounding
- Compatible with a broad range of APIs and DCIs

ESPECIALLY SUITABLE FOR

-  Dehydrated skin
-  Very dehydrated skin
-  Affected skin

Versatile™ Rich

Enriched O/W cream base

- Enriched hydrophilic vanishing cream base
- Sophisticated, protective formula rich in natural lipids
- Soft and caring skin feel with minimal greasiness
- Excellent protection and hydration effects
- Rapidly vanishes into the skin
- Non-comedogenic
- Ideal compounding vehicle for a broad range of high concentrations of APIs and DCIs

-  Dehydrated skin
-  Very dehydrated skin
-  Affected skin

Versatile™

Vanishing O/W cream base

- Hydrophilic vanishing cream base
- Sophisticated, elegant formula
- Pleasant and soft, non-greasy skin feel
- Excellent hydration effect
- Immediately vanishes into the skin
- Non-comedogenic
- Ideal compounding vehicle for a broad range of high concentrations of APIs and DCIs

-  Balanced skin
-  Dehydrated skin

Nourivan™ Antiox

Antioxidant O/W cream base

- Hydrophilic vanishing cream base with antioxidants
- Nourishing and gentle formula
- Pleasant, soft skin feel
- Excellent hydration effect
- Rapidly vanishes into the skin
- Non-comedogenic
- Contains natural antioxidants, protecting APIs susceptible to oxidation

-  Balanced skin
-  Dehydrated skin
-  Very dehydrated skin

Fitalite™

Natural gel cream base

- Hydrophilic gel cream base
- Formula with natural emulsifying phytosomes
- Elegant, light, non-greasy skin feel
- Gentle moisturizing properties
- Non-comedogenic
- Compatible with a broad range of APIs and DCIs
- Suitable for application to the eyebrows and eyelids

-  Oily skin
-  Balanced skin
-  Affected skin

Dermatology

	VEHICLE BENEFITS	ESPECIALLY SUITABLE FOR
Seraqua™ Ultra-light O/W serum base 	• Innovative hydrophilic serum base • Elegant, ultra-light skin feel • Excellent spreadability and readily vanishing • Hydration and skin protection without an occlusive effect • Non-comedogenic • Especially recommended for facial area, including eyebrows and eyelids • Ideal compounding vehicle for a broad range of high concentrations of APIs and DCIs	 Oily skin  Balanced skin  Dehydrated skin  Specific skin area
Nourisil™ Anhydrous silicone base 	• Innovative, anhydrous silicone base containing a blend of silicones and vitamin E • Ultra-light gel structure • Non-greasy, silky skin feel • Skin protectant and preservative-free • Especially suitable for affected skin, such as scar tissue • Compatible with a broad range of APIs and DCIs, solvents and oils	 Affected skin
